Give us a call at 676-7433 to find out how to get your "FREE on Fixed Route" pass. (It's easy.)

Meet our new Manager of Paratransit Services

Shelly Davis is WTA's new Manager of Paratransit Services.

In her 27 years at WTA, Shelly has worked as a paratransit bus driver, a fixed route bus driver, a dispatcher and an operations

supervisor. She began working as a bus driver before buses had ramps for passengers in wheelchairs—or even power steering!

Throughout her years with WTA, Shelly has always been known by her coworkers as someone who advocates for passengers with special needs.
