Reminders for snowy or icy weather

If road conditions are hazardous, WTA will need to limit or cancel our paratransit trips.

If this happens, a staff member will call to let you know and work with you to reschedule your trip.

If your trip isn't essential, consider canceling or rescheduling during bad weather. This reduces the chance for weather related delays or hassles, and helps us provide essential trips to riders that need them.

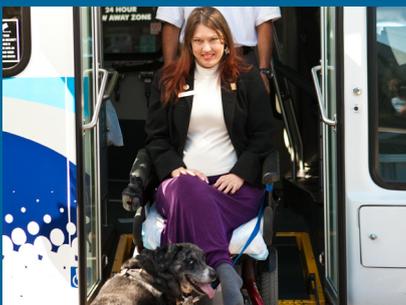

Some changes to how WTA sells bus passes

Beginning January 1, 2018, riders will no longer be able to use the same pass to ride both paratransit and fixed route buses. WTA will begin selling paratransit-only monthly and quarterly passes on December 15, 2017.

If you sometimes ride fixed route buses, please get a "Free on Fixed Route" Card. Anyone who is eligible to ride WTA paratransit can get a Free on Fixed Route Card. With it, you can ride WTA's fixed route buses for free. You can also ride free with WTA's Gold Card. (Gold Cards are for riders 75 years old or older.)

Starting on January 1, in order to ride WTA's fixed route buses, you'll have to pay the cash fare, **or** show your Free on Fixed Route Card, **or** show your Gold Card.

To find out how to get your Free on Fixed Route Card or Gold Card, call (360) 733-1144.
